

## Geometry - Chapter 3 - Vocabulary

Vocabulary Word	Written Definition	Picture / Symbol
transversal		
alternate interior angles		
same side interior angles		
corresponding angles		
two-column proof		
<b>Triangles</b> <ul style="list-style-type: none"><li>- equiangular</li><li>- acute</li><li>- right</li><li>- obtuse</li></ul>		
equilateral triangle		

Vocabulary Word	Written Definition	Picture / Symbol
scalene triangle		
isosceles triangle		
exterior angle		
remote interior angle		
polygon		
convex polygon		
concave polygon		

Vocabulary Word	Written Definition	Picture / Symbol
equilateral polygon		
equilateral polygon		
Polygon Angle Sum Theorem		
equiangular polygon		
regular polygon		
slope intercept form		
standard form		
point slope form		
Slope of Parallel Lines		
Slope of Perpendicular Lines
